OSBORNE PROPOSES 17 PRISON REFORMS

Kecommendations of Commission Are Given to Superintendent Riley.

IMPROVEMENTS ARE NOTED

Sunday Dinner and Road Work! Regarded as the Best Changes Made.

AUBURN, Oct. 24 .- Thomas Mott Osborne, chairman of the New York State Commission on Prison Reform, after a meeting of the body, made public to-day a preliminary report on prison reforms which embodies seventeen recommendations that were laid before Superintendent of State Prisons John B. Riley to-day.

The charges treated of in the report are said to be such as Supt. Riley may make without the need for legislation authorizing

Mr. Osborne's recent visit to Auburn Prison where he spent a week as a convict and went through the routine of a convict including a night in the punishment cells.

The report asks for the following changes

The report asks for the following changes:
Simplifying the method of taking a convict's record on entering, so that much red tape will be eliminated. At present the record is taken in the front office, in the principal keeper's office, in the chaplain's office, in the doctor's office, in the Bertillon office.

"Buoyed up by the hope that her husband would be returned to her without further delay, this woman with the sick child in her arms." this prison about this time induced her to let him attempt to get back the

further delay, this woman with the sick child in her arms waited outside the prison gate for her husband day after day. But he was not released. All of which goes to show what politics does to the unfortunate relatives of the convict. "I would have nailed this convict, who s still at large, weeks ago, had not my

this State must come from the outside, said Mr. Blake. It must originate with the Governor, proceed to the Legislature and then to the Superintendent of Prisons. But before this scheme of improvement

But before this scheme of improvement originates, he added, the prison system must be taken out of politics.

"If the people of this State." said Mr. Blake, "should stop bothering with everything else connected with prisons and insist upon the enactment of a law prohibiting any politician from having anything to do with any of the penal institutions, there would be no more trouble with them. One source of scandal and disgrace would be thus eliminated and we would have fewer prisons instead of more.

Saturday night and picked out their pictures in the rogue's gallery. The prisoners gave their names as John Barry and Robert Lewis. They were held be made the arrests to await personal identification by Mr. Schmidt. Detective Sussilo made the arrests.

Mr. Schmidt thinks now that a woman assisted the two men in jostling him and extracting the money from his hip pocket. "As this woman bumped against me." he said, "a man directly in front of me dropped his simblerlia and pushed me about

PRISON GRAFT DUE TO prison system. This is bad enough, if it ended there, but it doesn't. Before a man is even considered for the place he must present to the Governor sound political reasons for his appointment. He must be the choice of a man who represents a substantial political following and his political political following and his political political following and his politics must correspond with those of the Governor and the majority of the

dishonest dollars. The cement which holds the prison ring together is graft. Some wonder has been expressed by the fact that while more than 200 cells were vacant in Great Meadow prison 185 men

were doubled up in the vile cells at Sing understood that each prisoner in Sing Sing prison represents so much graft to a certain clique. This amount would be lessened if the number of convicts were restricted to the number of cells. So the men were doubled up and forced to live under conditions which vitiated their souls, minds and bodies."

Doubling Up of Prisoners.

Mr. Blake read the presentment of the Westchester county Grand Jury, which criticised the State for the imprisonmen of convicts in cells which breed chronic rheumatism, tuberculosis and other diseases. He pointed out that the Grand Jury was led to indict several of the Jury was led to indict several of the prison officials after evidence had been placed in its hands indicating that tubercular prisoners were doubled up with perfectly healthy men. In Auburn prison, Mr. Blake declared,

there were gross neglect, wanton bru-tality and tyranny. In one year in Auburn twenty-eight men went insane These vultures thought he still had punishment inflicted upon them.

Mr. beake said he considered the in-

determinate sentence system a bed thing for the prisoners. '.'nder the old system." he said, "a flat sentence of two years in prison was given. Under the in determinate sentence plan a prisoner "An ex-convict who was released from years it he misbehaves himself.
